

Sometimes (mix #9)

Erykah Badu

Yea, yo

Yea, yo

Yea, yo

Yea, yo Well, I came to the show I was picked to flow

(Sometimes)

Now I wanna know if you wanna go

To the studio bust a rhyme or two

(Sometime)

What you wanna do?

What you wanna do?

Bring your sack but I'm cool with that

(Sometimes)

I got the fateless tag and a pimped out drag

Got the song and it's on, it's on

(Sometimes)

Got the studio rocked down all night long

Well
