

# All I Need

## Sizzla

Oh yes babe, our love is everlasting  
And I'll always be there  
Remember I tell you that  
Ooh ooh Ooh ooh ahhhhh

You're all I need, you brighten up my world  
We'll always be, our life is our love  
Let me know you're right and the perfect soul  
Plus the moon and stars the nation behold

Girl you got it going just for me  
You're my love treat you respectfully  
Oh girl you got it going just for me  
You're my love treat you respectfully

Not ah day don't pass and she no tell me say she love me oh oh  
And every night she make sure say ah she ah kiss and love me  
She's got this attitude such magnitude its her security  
In defense of her lover and I know that is her jealousy  
Especially when she's with me, that's what I love to see  
Fine style and she just won't let go of me  
People will be like Ahh! isn't that lovely  
There so close and cuddling noting in the world can trouble we

Girl you got it going just for me  
You're my love treat you respectfully  
Oh girl you got it going just for me  
You're my love treat you respectfully  
Girl you got it going just for me  
You're my love treat you respectfully  
Oh girl you got it going just for me  
You're my love treat you respectfully

When every time I'm late, then she going to text me  
Whoa she complain oh tonight she want to sex me  
She always ah say no other girl can get me,  
She nah go left me, whoa from Jah bless me  
Oh darling girl, baby you're so sexy,  
The good things about you that's what interest me
