

Packin' Up

Dusty Springfield

So if I give up (yes, I'm packin' up)
Movin' out of the town (movin' out of the town)
Packin' up (yes, I'm packin' up)
Movin' out of the town (movin' out of the town)
I'm not chained and I'm no longer bound Said if I get up (yes, I'm packin' up)
Movin' out of the town (movin' out of town)
Oh yeah (yes, I'm packin' up)
Movin' out of the town (movin' out of the town)
I'm not chained and I'm no longer bound My suitcase's ready
My clothes are too
And these are the things
You took me through My friends told me
All about you
That men are evil
The things you do
And I keep on (I'm not chained and I'm no longer bound) And then I'm packin' (yes, I'm packin' up)
Movin' out of the town (movin' out of the town)
Oh yeah (yes, I'm packin' up)
Movin' out of the town (movin' out of the town)
I'm not chained and I'm no longer bound Now that I'm gone
Just look at me
I'm looking better than
Any girl you see I've gotta brand new clothes
I gotta diamond ring
I gotta brand new man
He give me everything
So keep on (I'm not chained and I'm no longer bound) And then I'm movin' (movin' movin')
Oh, movin' (movin' movin')
And I gotta move (movin' movin')
And I wanna move (movin' movin')
Oh yeah (movin' movin')
And I gotta move (movin' movin')
And I gotta move (movin' movin')
And I gotta move (movin' movin')
Start packin' up (movin' movin')
Start packin' up (movin' movin')
Start packin' up (movin' movin')
Movin' out of town (movin' movin')
Alright (movin' movin')

Yeah, yeah (movin' movin')
Start packin' up (movin' movin')
