

California Girl

Tristan Prettyman

I'll let you fall in love with me
Show you how easy it could be
California girl of your dreams
Sitting by the sea shore
Soaking up the summer breeze Never gonna fall, I'm never gonna fall
For that old trick again
Never gonna fall, I'm never gonna fall
For that old trick again I can't believe I even came
Don't even know your name
Boy you know that ain't my scene
But you gotta play by the rules
If you ever gonna win the game Never gonna fall, I'm never gonna fall
For that old trick again
Never gonna fall, I'm never gonna fall
For that old trick again Oh, yes my words were true
True to the moment and true to you
But fear will help you make your move
Sweet kisses in the summer taste soft like honeydew Never gonna fall, I'm never gonna fall
For that old trick again
Never gonna fall, I'm never gonna fall
For that old trick again Never gonna fall, I'm never gonna fall
For that old trick again
Never gonna fall, I'm never gonna fall
For that old trick again Never gonna fall, I'm never gonna fall
For that old trick again
Never gonna fall, I'm never gonna fall
For that old trick again
