

Chip N' Tony

Alejandro Escovedo

I'll I ever wanted was a four piece band
Yeah we're coming on strong
Just like an accident
Are you standing up
Are you laying down
Are you growing up
You start sleeping around
Chip & Tony said, it was against the law
C'monUp on the mound
I was ten feet tall
Had my black turtleneck
Just like my MarshallUp on the mound
Up on the mound
Everybody looking
Their not going down
Chip & Tony said, it was against the law
C'monI'm torn picture postcard of a California dream
I'm the last drink of water from salt & sea
I love you now, like I loved you then
I love you now, like I loved you then
Chip & Tony said, it was against the law, c'mon
Chip & Tony said, it was against the law, c'mon
