

# Boom (VM 2002)

## Anastacia

Complicated  
Understanding what you can achieve  
Under-rated  
The one to win  
One who believes If I go away  
Would you follow me  
To that special place of tranquility  
Where the  
River flows  
And the fields are golden  
Come on, come on  
Yeah Boom  
Here to rock ya  
Boom  
Never stop, no  
Boom  
Raise up high  
Boom  
Oh, I'm  
Boom boom boom boom  
Here to rock ya  
Boom  
Never stop, no  
Boom  
Raise up high  
Boom boom boom boom Heya heyah yeah heyah boom yeah yeah heyah Take no  
Prisoners  
Fight to win  
And you will survive  
Falling  
Reason  
Just be the flame and spirit come alive If I go away  
Would you follow me  
To that special place of tranquility  
Where the  
River flows  
And the fields are golden  
Oooh  
Cooome on Boom

Here to rock ya  
Boom  
Never stop, no  
Boom  
Raise up high  
Boom  
Oh, I'm  
Boom boom boom boom  
Here to rock ya  
Boom  
Never stop, no  
Boom  
Raise up high  
Boom boom boom boomHeya heyah yeah heyah boom yeah yeah heyahOh yeah
