

Hot Stuff

Karen Silver

Hot stuff, Hot stuff
Hot stuff, Hot stuff

Hot Stuff, Hot Stuff
You know you got some hot stuff, Whoo-oooh
Hot Stuff, Hot Stuff
You know you got some hot stuff, Baby

You came here lookin' good,
You turn me on, All night with you
But I hope you came prepared
To get it on child, I wanna love ya boy

Hot Stuff, Hot Stuff
You know you got some hot stuff, Whoo-oooh
Hot Stuff, Hot Stuff
You know you got some hot stuff, Baby

Hot Stuff, Hot Stuff
You know you got some hot stuff, Whoo-oooh
Hot Stuff, Hot Stuff
You know you got some hot stuff, Baby

My mother always told me
Not to mess around with fire
But I don't mind gettin' burned
If it's you boy, I desire

Hot Stuff, Hot Stuff
You know you got some hot stuff, Whoo-oooh
Hot Stuff, Hot Stuff
You know you got some hot stuff, Baby

Hot Stuff, Hot Stuff
You know you got some hot stuff, Whoo-oooh
Hot Stuff, Hot Stuff
You know you got some hot stuff, Baby

Hold up your hand
If you're hot enough, hot enough

Hold up your hand
If you got some hot stuff, hot stuff

Hot Stuff, Hot Stuff
You know you got some hot stuff, Whoo-oooh
Hot Stuff, Hot Stuff
You know you got some hot stuff, Baby

Hot Stuff, Hot Stuff
You know you got some hot stuff, Whoo-oooh
Hot Stuff, Hot Stuff
You know you got some hot stuff, Baby

Hot Stuff, Hot Stuff
You know you got some hot stuff
Hot Stuff, Hot Stuff
You know you got some hot stuff, Baby

Let me see your hands
If you got some hot stuff, hot stuff
Hold up your hand
If you got some hot stuff, hot stuff
hot stuff, hot stuff
