

# Too Long

## Andrew Bird's Bowl of Fire

Too long, you waited too long to come home

Now your daddy dont want you no more

Too long, you dont belong here anymore

So quit your knock, knocking at my door Yeah, you left me sweet mama for no good reason at all

And now theres another mule kicking in the same old stall Too long, you waited too long to come home

Now your daddy dont want you no more Too long, you waited too long to come home

Now your daddy dont want you no more

Too long, you dont belong here anymore

So quit your knock, knocking at my door Yeah, you left me sweet mama for no good reason at all

And now theres another mule kicking in the same old stall Too long, yeah, you waited too long, yeah

Well, you waited too long, oh, you waited too long to come home

Now your daddy, oh, now your daddy

Oh, now your daddy dont want you no more
