Optimistic

Radiohead

Flies are buzzing round my head
Vultures circling the dead
Picking up every last crumb
The big fish eat the little ones
The big fish eat the little ones
Not my problem, give me someYou can try the best you can
You can try the best you can
The best you can is good enough
You can try the best you can
You can try the best you can
The best you can is good enoughThis one's optimistic
This one went to market
This one just came out of the swamp
This one drops a payload
Fodder for the animals
Living on animal farmYou can try the best you can
You can try the best you can
The best you can is good enough
You can try the best you can
You can try the best you can
The best you can is good enoughI'd really like to help you, man
I'd really like to help you, man
Nervous messed up marionette
Floating around on a prison shipYou can try the best you can
You can try the best you can
The best you can is good enough
You can try the best you can
You can try the best you can
Dinosaurs roaming the Earth
Dinosaurs roaming the Earth
Dinosaurs roaming the Earth
