Optimistic

Radiohead

Flies are buzzing round my head

Vultures circling the dead

Picking up every last crumb

The big fish eat the little ones

The big fish eat the little ones

Not my problem, give me someYou can try the best you can

You can try the best you can

The best you can is good enough

You can try the best you can

You can try the best you can

The best you can is good enoughThis one's optimistic

This one went to market

This one just came out of the swamp

This one drops a payload

Fodder for the animals

Living on animal farmYou can try the best you can

You can try the best you can

The best you can is good enough

You can try the best you can

You can try the best you can

The best you can is good enoughI'd really like to help you, man

I'd really like to help you, man

Nervous messed up marionette

Floating around on a prison ship You can try the best you can

You can try the best you can

The best you can is good enough

You can try the best you can

You can try the best you can

Dinosaurs roaming the Earth

Dinosaurs roaming the Earth

Dinosaurs roaming the Earth
