

# Three Nil (Live Version)

## Slipknot

Chaos, is just the beginning  
Every promise I made I'm ascending  
Stab the knives in the middle of the monster  
I'm getting tired of drowning in concern Crying for help  
Isn't paid in full  
The only reason that you love me is  
I'm hated by all Come on!  
Come see destruction  
I guess we're gonna leave it  
Open for discussion Who am I?  
Where am I going? Maybe I'm looking in the wrong direction  
Maybe I'm looking for any direction This is not my world  
This is not my fate  
This is something more  
This is not my life  
This is not my revolution  
This is not my convolution  
This is not my expectation  
This is not my desperation (yeah!) Rolled up thoughts and dig for the hell of it  
Look at me, I am the glorified mahlcotect  
Save me, save this  
All I got to do is give up  
And I always fuck giving up  
Sic! I've been the plot of a cosmic joke  
And I don't get the punchline  
A million people lined up for miles  
To see the great big nil Shut up and apologize! This is not my world  
This is not my fate  
This is something more  
This is not my life This is not my revolution  
This is not my convolution  
This is not my only reason to question why Today I'll say goodbye!  
Goodbye!  
Oh I didn't need to leave  
To stay right here  
Today I'll say goodbye!  
Goodbye!  
Oh I didn't need to leave  
To stay right here

Today I'll say goodbye!  
Goodbye!  
Oh I didn't need to leave  
To stay right here  
Today I'll say goodbye!  
Goodbye!  
Oh I didn't need to leave  
To stay right here  
Today I'll say goodbye!(yeah!)I'm the parade (break me)  
I am no like (save me)  
I can't take anything (make me)  
Accuse me of everything (kill me)Cut off the system (slay me)  
Deny my existence (waste me)  
I won't be afraid (try me)  
I won't be unmade (take me!)Come on!  
Break it all  
Come on!  
Buy the lie  
Come on!  
Say it, say it!  
Come on!  
Say goodbye!Goodbye!  
Oh I didn't need to leave  
To stay right here  
Today I'll say goodbye!  
Goodbye!  
Oh I didn't need to leave  
To stay right here  
Today I'll say goodbye!  
Goodbye!  
Oh I didn't need to leave  
To stay right here  
Today I'll say goodbye!  
Goodbye!  
Oh I didn't need to leave  
To stay right here  
Today I'll say goodbye!One (one)
