Hey Girl

Delays

Hey girl Where in the world Did you come from Hey girl where in the world Do you belong (I said) Hey girl watching you Walk is like a dream Hey girl you got a nerve and You sure got MeAs I wanted, singing lost and found Like a fever running, We could clear this Town(I said) Hey girl where in the world Did you come from Hey girl nobody knows where You belongSo why don't you tell me You're hanging above me There's room Everywhere And I can't walk on airHey girl(I said) Hey girl where in the World Did you come from Hey girl never return cause you belong I said Hey Girl...
