

# This Wall Between Us

[Emitt Rhodes](#)

I'm begging you don't lose it  
I'm reaching out my hand  
Come show me what i'm missing  
Help me understand  
You're given things inside me  
Too quiet too long  
What closed me out of your life  
If i've done wrongThis wall between us  
What does it hide  
This wall between us  
I'm the other side  
If I could look behind  
Wonder what i'd find  
This wall between us  
What does it hideI don't know what you're thinking  
I can't read your mind  
I don't know what you're feeling  
You just say you're fine  
Don't hold back just tell me  
Why shut me up this way  
There's something you're not sayin'  
Day after day  
This wall between us  
What does it hide  
This wall between us  
On the other side  
If I could look behind  
Wonder what i'd find  
This wall between us  
What does it hide (What does it hide)  
This wall between us  
What does it hide
