

# Fly Away (feat. Anjulie)

## TheFatRat

Come and fly away with me  
Come and fly away with me-e-e-e-e  
Come and fly away with me  
Co-co-come and fly away with me-e-e-e-e-eCome and fly away with me  
Come and fly away with me-e-e-e-e  
Come and fly away with me  
Co-co-come and fly away with me-e-e-e-e-eDon't you be afraid  
Everything will change  
You and I  
Jumping of the edge  
They say dreamers never dieSo, come and fly  
Come and fly  
Come and fly away with me  
We're rising, we're falling  
We'll make it through  
We're climbing, we're soaring  
A thousand viewsWe're rising, we're falling  
We'll make it through  
We're climbing, we're soaring  
A thousand viewsSomewhere by the end we'll see  
Where the moon and water meet  
Somewhere close to harmony  
When the world is sound asleepSomething's gonna bring a change  
Journeys we are meant to take  
Something at the edge of space  
Calling us to fly away  
Don't you be afraid  
Everything will change  
You and I  
Jumping of the edge  
They say dreamers never dieSo, come and fly  
Come and fly  
Come and fly away with meWe're rising, we're falling  
We'll make it through  
We're climbing, we're soaring  
A thousand viewsWe're rising, we're falling  
We'll make it through  
We're climbing, we're soaring  
A thousand viewsCome and fly away

Come and  
Come and fly away  
Come and fly away with meCome and fly away  
Come and  
Come and fly away  
Come and fly away with meSomething's gonna bring a change  
Journeys we are meant to take  
Something at the edge of space  
Calling us to fly away
