

Lover

Darwin Deez

You only care about your hair
To you a mirror is a miracle
Don't even notice that I'm there
Too busy checkin' at your spherical
It's another one down the drain
Had the beautiful, but not the brain
Unless you show me that your not to blame
Stop acting so vain Do you want to be my lover or not?
Ha, it's got nothin' to do with me
But if you want, to be my
It's got nothin' to do with me So get the fuck out of my face
No I don't care to meet your parakeet
Give me time and give me space
Oh, all you ever do is stare at me
It's another one kicks the can
Had the strategy, but not the plan
Unless you show me that your not so bland
Im taking a stand Do you want to be my lover or not?
Ha, it's got nothin' to do with me
But if you want, to be my
It's got nothin' to do with me And now it's either I'm yours, but you're not quite mine
Or the other way around
So it's really no crime what you choose
?Do you want to be my lover or not?
Ha, it's got nothin' to do with me
But if you want, to be my
It's got nothin' to do with me Do you want to be my lover or not?
Ha, it's got nothin' to do with me
But if you want, to be my
It's got nothin' to do with me Do you want to be my lover? (x4)
