I'm a Good Girl

Sister Sledge

Oh! What is this feeling I feel?
I don't like it no, honey.I don't know what's come over me.
I must lose control.
You see I'm a good girl.Oh! What is this feeling I feel?
I don't like it no, honey.I don't know what's come over me.
I must lose control of my senses.If (there weren't?) I don't want you baby,
can't stop the feeling.
It just seems to happen.And if (there when?)
I don't need you baby.
I can't help myself.
You always see through it.I don't know what is this feeling I feel.
I don't like it no, honey.I don't know what's come over me.
I must lose control.
You see I'm a good girl.Oh! What is this feeling I feel?
I don't like it no, honey.I don't know what's come over me.
I must lose control of my senses.If (there when I first met you boy,
You know it'd be good.
Oh, I'd never have ---
--If there weren't you're so bad.
I can't hurt you, no
cause I'll just hurt myself.Oh! What is this feeling I feel?
I don't like it no, honey.I don't know what's come over me.
I must lose control.
You see I'm a good girl.Oh! What is this feeling I feel?
I don't like it no, honey.I don't know what's come over me.
I must lose control of my senses.Oh! What is this feeling I feel?
I don't like it no, honey.I don't know what's come over me.
I must lose control.
You see I'm a good girl.Hey. Ooo. Ah.What is this feeling I'm feeling?
I don't like it. I don't like it.
Tell me What, what's come over me.
I'm a good girl.
