

# Peace of Mind

## Black Sabbath

Look at this and look at us  
We wonder, oh we're wondering  
I don't like to say we're lost  
Try my best with needing us  
Build a ladder to the sky  
Sit up there and say, oh my  
Does looking down make me a queen?  
All the sorrow that I see  
If I ever get back down  
Find a map that takes me back  
Through the wounded, through the wars  
To a time that came before  
To hover bored into the sun  
Come back when my time is done  
A mother for this childless world  
An arrow of light for every boy and girl  
Peace of mind  
Peace of mind  
Peace of mind  
Peace of mind  
Peace of mind, oh  
Peace of mind, oh  
Peace of mind
