

# All the Lovers

Kylie Minogue

Dance, it's all I wanna do  
So won't you dance? I'm standing here with you  
Why won't you move? I'll get inside your groove  
'Cause I'm on fire, fire, fire, fire It hurts when you get too close  
But, baby, it hurts if love is really good  
You just want more, even if it throws you  
To the fire, fire, fire, fire All the lovers  
That have gone before  
They don't compare  
To you Don't be frontin'  
Just give me a little bit more  
They don't compare  
All the lovers Feel, can't you see there's so much here to feel?  
Deep inside your heart you know I'm real  
Can't you see that this is  
Goin' higher, higher, higher, higher Breathe, I know you find it hard  
But, baby, breathe, you'll be next to me  
It's all you need and I'll take you there  
I'll take you higher, higher, higher All the lovers  
That have gone before  
They don't compare  
To you Don't be frontin'  
Just give me a little bit more  
They don't compare  
All the lovers Dance, it's all I wanna do  
So won't you dance? I'm standing here with you  
Why won't you move? Even if it throws you  
To the fire, fire, fire, fire All the lovers  
That have gone before  
They don't compare  
To you Don't be frontin'  
Just give me a little bit more  
They don't compare  
All the lovers
