

All I Want

[Joni Mitchell](#)

I am on a lonely road and I am traveling
Traveling, traveling, traveling
Looking for something, what can it be
Oh, I hate you some, I hate you some, I love you some
Oh, I love you when I forget about me I wanna be strong, I wanna laugh along
I wanna belong to the living
Alive, alive, I want to get up and jive
I want to wreck my stockings in some juke box dive Do you want, do you want, do you want
To dance with me, baby
Do you wanna take a chance on maybe finding
Some sweet romance with me baby
Well, come on All I really, really want our love to do
Is to bring out the best in me and in you too
All I really, really want our love to do
Is to bring out the best in me and in you I wanna talk to you, I wanna shampoo you
I wanna renew you again and again
Applause, applause, life is our 'cause
When I think of your kisses, my mind see-saws Do you see, do you see, do you see
How you hurt me baby
So I hurt you too
Then we both get so blue I am on a lonely road and I am traveling
Looking for the key to set me free
Oh the jealousy, the greed is the unraveling
It's the unraveling and it undoes all the joy that could be I wanna have fun, I wanna shine like the sun
I wanna be the one that you wanna see
I wanna knit you a sweater, wanna write you a love letter
I wanna make you feel better, I wanna make you feel free
Wanna make you feel free, I wanna make you feel free
