

# Never Say Goodbye

## The Impossibles

Some summer Sunday  
Drifting between sleep and waking  
Your absence brought me to  
Sick feelings filled me  
Slowly remembering the bitterness of the final kiss,  
Motionless  
We never said goodbye  
When we gave in, but we don't mind  
If we never say goodbye,  
There'll be no end, there'll be no end

Stream of consciousness  
Leads me to drowning dreams  
Looking up, you're colored baby-blue  
The frustration of knowing what it's like to breathe you in,  
Remember then, remember when you let me in  
Hold on, hold on, we can be strong dig our fingers deep into each other
