

Things Goin' On

Lynyrd Skynyrd

Well, have you ever lived down in the ghetto?
Have you ever felt that cold wind blow?
Well, if you don't know what I mean
Won't you stand up and scream
'Cause there's things goin' on that you don't know
Too many lives they've spent across the ocean
Too much money they spend upon the moon
Well, until they make it right, I hope they never sleep at night
They better make some changes and do it soon
Do it now, do it good
Well, they're goin' ruin the air that we breathe, Lord, have mercy
They're gonna ruin us all, by and by
I'm telling all, you beware, I don't think they really care
I think they just sit up there and just get high
Well, have you ever lived down in that ghetto?
Have you ever felt that cold wind blow?
Well, if you don't know what I mean
Won't you stand up and scream
'Cause there's things goin' on that you don't know
