Blood Visions

angry angles

Blood visions
Blood visions
Blood visions
Blood visions
Its what they wanna give me
Blood visions
Its what they wanna give me
Blood visions

Oh
These things will change
Oh
These things will change

Blood visions
Blood visions
Blood visions
Blood visions
Its what they wanna give me
Blood visions
Its what they wanna give me

Oh
These things will change
Oh
These things will change
Oh
These things will change
