Wilson

Oh out near Stonehenge, I lived alone

Oh out near Gamehendge, I chafed a bone

Wilson, King of Prussia, I lay this hate on you

Wilson, Duke of Lizards, I beg it all true for you

Talk my Duke a mountain, Helping Friendly Book

Inasfar as fiefdom, I think you bad crook

Wilson, King of Prussia, I lay this hate on you

Wilson, Duke of Lizards, I beg it all true for you

Wilson

Wilson

I talked to Mike Christian, Rog and Pete the same

When we had that meeting, over down near Gamehendge

Wilson, King of Prussia, I lay this hate on you

Wilson, Duke of Lizards, I beg it all true for you

You got me back thinkin' that you're the worst one

I must inquire, Wilson, can you still have fun?

Wilson, can you still have fun now Wilson

Can you still have fun now, Wilson

[Incomprehensible]
