

# Brave New World

## Amanda Cook

Let the heroes rest  
Let the striving ceaseI lay down my crown  
Here at your feet  
I will trust  
Here in the mysteryI will trustIn you completely  
Awake my soul to sing  
With your breath in meI will worshipYou taught my feet to dance  
Upon disappointment and I  
I will worship  
Let the weary rise  
Let their eyes to see  
Your love crushing every lie  
Every doubt and fear  
I will trust  
Here in the mystery  
I will trust  
In you completely  
Awake my soul to sing  
With your breath in meI will worshipYou taught my feet to dance  
Upon disappointment and I  
I will worship  
Hallelujah, hallelujah  
You are making  
All things new
