

Iron Fist

Motörhead

Dark night, nothing to see
Invisible hand is in front of me
Scared to death there's some one near
Scared to move but you can't stay here You know me, evil eye
You know me, prepare to die
You know me, the snakebites kiss
Devil's grip, the iron fist Flying horse don't make a sound
Flying hooves don't touch the ground
Walk in circles, lose your tracks
Can't go on but you can't go back You know me, evil eye
You know me, prepare to die
You know me, the snakebites kiss
Devil's grip, the iron fist Moon eclipse and you know why
Ghost rider in the sky
Beast of evil, devil's hound
Tooth and claw, they pull you down You know me, evil eye
You know me, prepare to die
[Incomprehensible], the snakebites kiss
Devil's grip, the iron fist
