

This is Absolution

Killswitch Engage

We will not die this way in unification
They cannot break these chains of faith
Yeah, let them do their worst
Never slaves to iniquity We will not die this way
This is absolution
Death claims us no more
No more Do not grief, end the suffering
We will live, we're eternal Will you take the stand
Among the dead?
Bury your fear
And hold fast to life, come on We will not die this way
This is absolution
Death claims us no more
No more Do not grief, end the suffering
We will live, we're eternal Anchor yourself to the foundation
Of everything you love
Believe you have just begun
To live, to live Don't let the world deceive you
Don't let their words betray you
Don't let their lies deceive you
Let them do their worst We will not die this way
This is absolution
Death claims us no more
No more Do not grief, end the suffering
We will live, we're eternal
