

Barbed Wire (George Kwali Remix)

Tom Grennan

A young man who wants to go home
From a youthless man who's walked a lonely road
And no fear of thinking up his dreams
He holds himself together with these barbed wire games Oh we stand together, we fall
Just know that belief conquers all So don't let people hold you back
Gotta Stand tall and aim higher
Don't touch the barbed wire
I say don't So don't let people hold you back
Gotta Stand tall and aim higher
Don't touch the barbed wire, touch the barbed wire
And watch him grow into a shell of a man
Every thing is taking shape and going to plan
Life can turn around
One step forward, two steps back
He's lost in the crowd Oh we stand together, we fall
Just know that belief conquers all So don't let people hold you back
Gotta Stand tall and aim higher
Don't touch the barbed wire
I say don't So don't let people hold you back
Gotta Stand tall and aim higher
Don't touch the barbed wire, touch the barbed wire If you walk in your shadow
Led by shepards then you know
If you walk in your shadow
If you walk in your shadow
Led by shepards then you know
If you walk in your shadow
So don't let people hold you back
Gotta Stand tall and aim higher
Don't touch the barbed wire
I say don't So don't let people hold you back
Gotta Stand tall and aim higher
Don't touch the barbed wire, touch the barbed wire
