Have Yourself a Merry Little Christmas

Rumer

Have yourself
a mary little Christmas
Let your heart be light
From know on our troubles will be out of sight
Have yourself
a mary little Christmas
Make the Yuletide gay
From know on our troubles will be miles away
Once again as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Will be near to us once more
Tought the years we all be together
If the fates allow
Hang a shining star upon the highets bough
And have yourself a mary little Christmas now
