## Spycatcher

I am awake  
Finally unafraid  
My dues are paid

Gone are the days I displayed  
No rhyme because good times could go too quickly

    No reason pleased only by love  
    No understanding of this human species  
    But where I was

Begged a why with no because  
And I'm exactly what I used to be afraid I'd become  
And I'm exactly where I used to be afraid I'd belong  
I feel like I reflect as if I've entered yesteryear

    When just yesterday I appeared to be  
    Somebody with no fears  
    Of ever growing up  
    I loved being stuck

Sometimes I wish I was there  
Life's not over  
    Its finally mine to own  
My fears of the fall are gone  
    I had no idea  
    Still just me now  
Anticipation of the worst was simply wrong  
    And I belong
