

Hard to Say I'm Sorry

DJ Bobo

The words of mine had been so bad
I didn't wanna make you sad
The trouble's gone, here I am to blame
Can you hear me now, I am calling your name
How could I be so mean to you
Please let me know, what I can do
I feel ashamed, I was such a fool
Hope its not too late, I was trying to be coolIt's hard to say I'm sorry, I regret
I didn't mean to hurt you
It's hard to say I'm sorry, please forgive
I'm still in love with you
It's hard to say I'm sorryI want your love
I want your heart
Oh, let me tell you I'm sorry
I want your love
I want your heart
Oh, let me tell you I'm sorrySince you've been gone, I feel alone
I miss your smile, I'm on my own
I'm calling you, just to hear your voice
You are hurt deep inside, I'm not one of these boys
Where do I go, without your love
Don't wanna stop, it's not enough
One more chance, we can make it right
Hope it's not too late, cause I swallowed my foolish prideThe words of mine had been so bad
I didn't wanna make you sad
The trouble's gone, here I am to blame
Can you hear me now, I am calling your name
