In the Bubble With a Bullet

Beady Eye

Waking up in dreamland
Rolling out the bed
Can't take anymore,
If I had any leftMindless conversation,
There's nothing just quite like
First thing in the morning,
'Bout what we did last nightWell we was looking for trouble,
In our bubble, me and you
Burning up on re-entry,
Where you send me
I'm bulletproof
Do what we wanna doYou make a contribution,
To where your supposed to be
If its not you,
Then its not meWe was looking for trouble,
In our bubble, me and you
Burning up on re-entry,
Where you send me
I'm bulletproof
I'm bulletproof
Do what we wanna doWe do what we want
