Someday I Will

Night Ranger

Caught in the act of doubting
So hard to look away
I don't know if it's fear or faith
That makes me staySo maybe I've just decided
Sometimes enough is enough
I'm just a man at the end
Of the day in loveSo what if I can't walk on water
So what if I'm not King of the hill
Right now I can't but what does it matter?
Love me and someday I willSome call it human error
Watching a dream fall through
Well, maybe it's time
That I turn my trust to youSo what if I can't walk on water
So what if I'm not King of the hill
Right now I can't but what does it matter?
Love me and someday I willYou say you'll never know
(Never know)
And I say that time will show
(Time will show)So maybe I'll just let go
(Maybe I'll just let go)
Maybe I'll just let goSo what if I can't walk on water
So what if I'm not King of the hill
Right now I can't but what does it matter?
Love me and someday I willSo what if I can't walk on water
So what if I'm not King of the hill
Right now I can't but what does it matter?
Love me and someday I willSomeday I will
(Someday I will)
