Close the Door

Teddy Pendergrass

Close the door
Let me give you what you've been waiting for
Baby, I got so much love to give
And I wanna give it all to youClose the door
No need to worry no more
Let's bring this day to a pleasant end
Girl, it's me and you nowI've waited all day long
Just to hold you in my arms
And it's exactly like I thought it would be
Me loving you and you loving meClose the door
Let me rub your back where you say it's sore
Come on get closer and closer, so close to me
Let's get lost in each other, come here babyI've waited all day long
Just to hold you in my arms
And it's exactly like I thought it would be
Me loving you and you loving meClose the door baby
And let me know you're mine
Plenty good lovin' all through the night
And then again and then again when the morning comes
Come here, womanCome here baby, let me blow your mind
Let me do what I want to you
Let me do what I want to you
Nothin' makes me love to you baby
You baby, oh baby, so good, baby
So good, so good, so good, babyYou'll do it to me, I'll do it to you
Come here baby, lay you head next to mine
So good, sweet woman
I like the way you make me feel
I like the way you make me feel
So good, so good, so good, so good, babyLet me do what I wanna do
All I wanna do is make love to you
Let me do what I wanna do
All I wanna do is make love to you
Let me do, do, do, do, do, do
