

I Remember Dying

The Samples

If you meet me by the river
I'll tell you what's forever
If you hold me there forever
 I remember dying
 I remember dying
But as I drift to sleep
When I just can't yet
Twenty thousand sheep
 Some I will forget
 Looking up as if
 I was still awake
 Looking up as if
 You were still
If you meet me by the river
I'll tell you what's forever
 I remember dying
'Cause I remember dying
 By the river
 By the river
'Cause I remember dying
