

The Dark Side

Alyssa Reid

No space, no time
When I'm with you
Let's beat the city streets
Somewhere will never be found
Come save me now
Forget the memory
Bury them 6 underground
Come save me now
Don't just walk away
Don't just turn away
Take this pain away from me
Don't just walk away
Don't just turn away
Angel won't you stay with me
No space, no time
When I'm with you
I come to life
When I'm with you
No space, no time
When I'm with you
I come to life
When I'm with you
Yeah aye aye aye aye aye aye aye yea-yeah
Yeah aye aye aye aye aye aye aye aye yea-yeah
Yeah aye aye aye aye aye aye aye aye yea-yeah
Yeah aye aye aye aye aye aye aye aye yea-yea-yea-yeah
Let's beat the city streets
Somewhere will never be found
Come save me now

Forget the memory
Bury them 6 underground
Come save me now
Don't just walk away
Don't just turn away
Take this pain away from me
Don't just walk away
Don't just turn away
Angel won't you stay with me

No space, no time
When I'm with you
I come to life
When I'm with you
Yeah aye aye aye aye aye aye aye aye yea-yeah
Yeah aye aye aye aye aye aye aye aye yea-yeah
Yeah aye aye aye aye aye aye aye aye yea-yeah
Yeah aye aye aye aye aye aye aye aye yea-yea-yea-yeah
No space, no time
When I'm with you
I come to life
When I'm with you
Yeah aye aye aye aye aye aye aye aye yea-yeah
Yeah aye aye aye aye aye aye aye aye yea-yeah
Yeah aye aye aye aye aye aye aye aye yea-yeah
Yeah aye aye aye aye aye aye aye aye yea-yea-yea-yeah
Yeah aye aye aye aye aye aye aye aye yea-yeah
Yeah aye aye aye aye aye aye aye aye yea-yeah
Yeah aye aye aye aye aye aye aye aye yea-yea-yea-yeah
