

# Freaky Styley

## Red Hot Chili Peppers

I fuck 'em, just to see the look on their face  
I fuck 'em, just to see the look on their face  
I fuck 'em, just to see the look on their face I say it out loud  
I'm freaky styley  
And I'm proud I say it out loud  
I'm freaky styley  
And I'm proud I say it out loud  
I'm freaky styley  
And I'm proud I fuck 'em, just to see the look on their face  
I fuck 'em, just to see the look on their face  
I fuck 'em, just to see the look on their face I'm freaky styley  
And I'm proud
