

# Alone

## Marques Houston

Alone  
Na na na na na na  
Alone  
Na na na na na  
I know  
(Listen up)  
Questions cloud my head with why  
Tears on my pillow as I cry  
Makes no sense for us too say goodbye  
Impossible to hide this pain inside  
Thinkin' 'bout the times we shared  
Makes me wonder if you even cared  
Contemplatin' should I let you go  
Girl why'd you leave me?  
Alone  
I been seatin' here waitin'  
By the phone  
Give anythin' to hear  
Your tone  
It was all my fault  
I know  
Now I just stand here  
Alone  
Still remember the day when everything  
Went wrong  
Try to think how it would be if you hadn't  
Gone  
Away, shoulda made you stay  
Now I just stand  
Stormy nights and cloudy days  
Can I fix it, what can I do, what can I say?  
It feels as if I'm stuck in a maze  
With no way out I think I'm goin' insane  
So alone without you  
Where'd you go I miss my baby boo  
It's a shame 'cause I can't breath without you  
Please come back girl, 'cause I'm missing you  
Alone  
I been sittin' here waitin'

By the phone  
(By the phone)  
Give anythin' to hear  
Your tone  
(Yeah, ooh)  
It was all my fault  
I know  
(I know, I know, know, know)  
Now I just stand here  
Alone  
Still remember the day when everything  
Went wrong  
Try to think how it would be if you hadn't  
Gone  
Away, shoulda made you stay  
Now I just stand  
Why, why, why  
Did you leave out of my life?  
Need you right here by my side  
Why, why, why?  
Oh why?  
Alone  
I been sittin' here waitin'  
By the phone  
(By the phone)  
Give anythin' to hear  
Your tone  
(Give anythin')  
It was all my fault  
I know  
Now I just stand here  
Alone  
Still remember the day when everything  
Went wrong  
Try to think how it would be if you hadn't  
Gone  
Away, shoulda made you stay  
Now I just stand  
(Stand)  
Alone  
I been sittin' here waitin'  
By the phone  
Waitin' by  
Give anythin' to hear  
Your tone

Can't leave you alone, can't leave you alone

It was all my fault

I know

Now I just stand here

Alone

Still remember the day when everything

Went wrong

Try to think how it would be if you hadn't

Gone

Away from me, shoulda made you stay

Now I just stand

Alone
