

# Polyethylene (Pt. 1 & 2)

## Radiohead

GoTears of joy now scare ourselves of all that you want to be  
Just got paid and now you're going  
'Round inside your place  
If I get scared I'll just call you  
And I'll miss your glow as I unsettle  
Oh, and I'll always feel, I will always be-Right, one, two, three, fourSo sell your suit and tie and come and live  
with me  
Leukemia, schizophrenia, polyethylene  
There is no significant risk to your health  
She used to be beautiful once as wellPlastic bag, middle class, polyethylene  
Decaffeinate, unleaded, keep all surfaces clean  
Oh  
If you don't believe this, sell your soul  
If you don't get into it, no one willOh, oh, oh  
No, oh, oh
