Bom Bom Bom

Living Things

We're gonna wake this city tonight
Oh, watch it burn into the twilight
I said hey, hey, hey this is our birthright
To be bought and sold, shipped off ready to die, we're ready to fightWe're going bom bom bom
Bom bom away bom bom bom bom bom
We go bom bom, bom bom away bom
Bom bom, bom bomI can't drink or drive a tank at nineteen
So I set off to join the U.S. Army
The first time I left my country
I felt the desert sand marchin' under my feet, come march with meWe're going bom bom bom
Bom bom away bom bom bom bom bom
We go bom bom, bom bom away bom
Bom bom, bom bomWe're gonna take this city tonight
We're gonna shake this city till broad daylight
We're gonna take this city tonight
We're gonna shake this city till broad daylight
Shake it, oh, shake itI said, No NYC, Los Angeles
No Saint Louis, no New Orleans
No you and me, no you and me, no sympathy
'Cause we're gonna bring them, bring them to their kneesAnd we go bom bom bom
Bom bom away bom bom bom bom bom
We go bom bom
Bom bom away bom bom bom bom bomWe're gonna take this city tonight
We're gonna shake this city till broad daylight
We're gonna take this city tonight
We're gonna shake this city till broad daylightShake it, no brights lights, no more big city
Shake it, no brights lights, no more big city
Shake it, no brights lights, no more big city
Shake it, no brights lights, no more big city
