

# Your Imagination

Daryl Hall & John Oates

I remember when I used to be the jealous kind  
I got over it, now you're taking over my old line  
You're caring too much about what I say  
You're wondering too much about what I do  
And baby, your imagination  
Imagination's got the best of you  
I ain't doin' nothing that you could really say was wrong  
Just one oversight and no, that didn't last too long  
Listen, you're caring too much about what I say  
You're wondering too much about what I do  
And baby, your imagination  
Imagination's got the best of you  
Don't know what you're looking for  
What's this thing about, "True blue"?  
You know I ain't no danger boy  
You're the one I like to touch, touch you, you  
When the mood is right, change the light  
And the moment's gone  
Better turn around 'cause the light doesn't last too long  
You're caring too much about what I say  
You're wondering too much about what I do  
And baby, your imagination  
Imagination's got the best of you  
Imagination, your imagination  
Imagination, use your imagination
