Extinction

Screaming Females

The block is quiet and the tree bends
I walk into our house
Where all the doors are open
You are lost and I'm found
I'm working on nothing
Extinction is deadI walk the floor
You made the rules
And you've made me a fool
A mind declined you mute my final note.I walk the floor
You made the rules
And you've made me a fool
A mind declined you mute my final note.
I won't light your candles
And I won't hold your door
Mystics have seen forever
But I want so much more
I'm working on nothing
Extinction is deadI heard the bad guy is me
I pierce his flesh I'm a mom
Grieving his harrowing breed
I swear he brought me alongI walk the floor
You made the rules
And you've made me a fool
A mind declined you mute my final note.I walk the floor
You made the rules
And you've made me a fool
A mind declined you mute my final note.
The block is quiet and the tree bends
I walk into our house
Where all the doors are open
You are lost and I'm found
I'm working on nothing
Extinction is deadI walk the floor
You made the rules
And you've made me a fool
A mind declined you mute my final note.I walk the floor
You made the rules
And you've made me a fool
A mind declined you mute my final note.
