Why

3T

Why does Monday come before Tuesday?
Why do summers start in June?
Why do winters come too soon?
Why do people fall in love
When they're always breakin' up?
Oh why, why do we love if love will die?Why does Wednesday come after Tuesday?
Why do flowers come in May?
Why does spring time go away?
Why do people fall in love
When they're always breakin' up?
Oh why, why do I love you, tell me why?It's not like I can't explain, what's in my heart
It's just I feel a crazy pain when we're apart
I don't wanna breathe, I don't wanna think
I don't wanna love, I don't wanna do anythingIt's not like I can't describe what's going on
It's just I feel I'm not alive when you're not home
I don't wanna sleep, I don't wanna dream
I just want you here beside me without you there's no meWhy does Monday come before Tuesday?

'Cause with you inside my heart, where can I go
I don't wanna see you without me
I can't go through life without you

If rivers flow why can't your love go through me, babe
Why does my mind feels so missed
To be in love, to feel your love?

Why don't I feel complete?Why does Monday come before Tuesday?
