

Sexify My Love

New Kids On the Block

Sexy, sexy
Sexy, sexy Hey, baby I feel it, can't conceal it, gotta reveal it
Cause I'm in the mood to give it to ya
Really gotta concentrate and now we're gonna consummate
So lets conversate cause I think it's time that we became one love One body, girl I wanna get it started
Its our own little private party
Forget about tomorrow right now
Right now we could have a river tonight
Right now, right now freakin' it however you like Sexify my love, give into my touch
Baby tonight I'm gonna set you free
Sexify my love, let your body talk
Baby surrender all your lovin' to me
Sexify my love, sexify my love, yeah Girl don't be shy, you're lookin' so fly
Tonight I wanna try every position we can dream of
All over the house, workin' that thing, girl makin' you shout
Take it fast, slow, now do it like a pro
Slide down on your waist and get low, low Ooh, and your body, it's our own little private party
Lets do this, lets get started
Forget about tomorrow, right now
Right now we could have forever tonight
Right now right now, freakin' however you like Sexify my love, give into my touch
Baby tonight I'm gonna set you free
Sexify my love, let your body talk
Baby surrender all your lovin' to me I don't care where we are, on the hood of my car
Out in public, makin' love in the streets
All alone, back at home we can do anythin' you want
I'll give you heaven while we mess up the sheets Sexify my love, give into my touch
Baby tonight I'm gonna set you free
Sexify my love, let your body talk
Baby surrender all your lovin' to me Sexify my love, give into my touch
Baby tonight I'm gonna set you free
Sexify my love, let your body talk
Baby surrender all your lovin' to me Sexify my love, give into my touch
Baby tonight I'm gonna set you free
Sexify my love, let your body talk
Baby surrender all your lovin' to me Sexify my love, give into my touch
Baby tonight I'm gonna set you free
Sexify my love, let your body talk
Baby surrender all your lovin' to me
