

# Rescue You

Ryan Leslie

I don't know where you been  
What you see  
All of the good and the bad and in between  
You can let it out tonight  
I'm gonna be right here to sunrise  
Don't be scared  
of a thing  
Let it flow  
Whatever you feeling girl you can let me know  
I'm here to make it alright  
Even if it takes me all night I know that it might be hard for you to say  
But you can take your time  
I ain't goin' nowhere  
So slowly unlock your heart  
Show me the way  
To make it right  
Baby I'm coming Said I'm coming through to rescue you  
I can be your super hero  
Said I'm coming through to rescue you  
Girl don't be afraid to let go  
Said I'm coming through to rescue you  
You can hold me till you feel alright  
Said I'm coming through to rescue you  
Stay with you till the morning light Honey I'm here to take care of you  
Make you forget of everything you're going through  
Even for a moment sometimes  
Let me take you there if you mind  
So follow me into another place  
The tears that you cry, I'll wipe them from your face  
I'm here to make it alright  
Even if it takes all night And I know that it might be hard for you to say  
But you can take your time  
I ain't goin' nowhere  
So slowly unlock your heart  
Show me the way  
To make it right  
Baby I'm coming Said I'm coming through to rescue you  
I can be your super hero  
Said I'm coming through to rescue you

Girl don't be afraid to let go  
Said I'm coming through to rescue you  
You can hold me till you feel alright  
Said I'm coming through to rescue you  
Stay with you all the way till the morning light  
You ain't got to worry  
I'll be coming to your rescue  
Coming to your rescue  
Whenever you need me  
I'll be coming to your rescue  
Coming to your rescue  
When you're lonely at night, I'll be  
Coming to your rescue  
Coming to your rescue  
Anytime that you need me  
Baby just call  
Just call me  
Said I'm coming through to rescue you  
I'll be your super hero  
Said I'm coming through to rescue you  
Girl don't be afraid to let go  
Said I'm coming through to rescue you  
You can hold me till you feel alright  
Said I'm coming through to rescue you  
Stay with you till the morning light  
Said I'm coming through to rescue you  
I can be your super hero  
Said I'm coming through to rescue you  
Girl don't be afraid to let go  
Said I'm coming through to rescue you  
You can hold me till you feel alright  
Said I'm coming through to rescue you  
Stay with you till the morning light
