

# Into the Galaxy (Metronomy Remix)

## Midnight Juggernauts

Floating to the edge of the world  
Floating to the edge of the sea  
Floating off the edge of the ocean  
Out into the galaxy

Floating to the edge of the world  
Floating to the edge of the sea  
Floating off the edge of the ocean  
Out into the galaxy

An apparition  
Of twilight visions  
A final mission  
Of superstition

Reactivated  
Now automated  
Appropriated  
Investigated

Global tectonics  
Psycho robotic  
Plasma bionic

Bred supersonic

A new translation  
For integration  
Your invitation

Floating to the edge of the world  
Floating to the edge of the sea  
Floating off the edge of the ocean  
Out into the galaxy

Floating to the edge of the world  
Floating to the edge of the sea  
Floating off the edge of the ocean  
Out into the galaxy

Hyper creation  
Or reinvention  
Love and affection  
Gaining attention

United Nations  
Interrelations  
A declaration

Of hypertension

Emerging summits  
Pre-emptive plummet  
We drop atomic

To shooting comets

The controversial  
Ultra commercial  
Now universal
