Bring Me No Flowers

James R Kirtley

Bring me no flowers when Iâ€™m gone dear, Your flowers will do me no good.
Wile Iâ€™m sleeping in my grave love , waiting for that great judgment day.

How I would have loved me some roses or maybe some lilyâ€™s in may.-
They would have brought me so much joy dear , and reminded me of times of yesterday.

But you never came to see me , and the flowers I never saw.
You did not have time to bring roses , Before my final breath was drawn.

Send me no flowers when Iâ€™m gone dear, Your flowers will do me no good.
Wile Iâ€™m sleeping in my grave love , waiting for that great judgment day.

You where to busy living life , way to busy doing other things .
Now you want to bring me roses , now that Iâ€™m cold and in my grave.

Send me no flowers when Iâ€™m gone dear, flowers will do me no good.
Wile Iâ€™m sleeping in my grave love , waiting for that great judgment day.

Send me no flowers when Iâ€™m gone dear, flowers will do me no good.
Wile Iâ€™m sleeping in my grave dear , waiting for that great judgment day.
Bring me no flowers when Iâ€™m gone dear, Your flowers will do me no good.
Wile Iâ€™m sleeping in my grave love , waiting for that great judgment day.

How I would have loved me some roses or maybe some lilyâ€™s in may.-
They would have brought me so much joy dear , and reminded me of times of yesterday.

But you never came to see me , and the flowers I never saw.
You did not have time to bring roses , Before my final breath was drawn.

Send me no flowers when Iâ€™m gone dear, Your flowers will do me no good.
Wile Iâ€™m sleeping in my grave love , waiting for that great judgment day.

You where to busy living life , way to busy doing other things .
Now you want to bring me roses , now that Iâ€™m cold and in my grave.

Send me no flowers when Iâ€™m gone dear, flowers will do me no good.
Wile Iâ€™m sleeping in my grave love , waiting for that great judgment day.

Send me no flowers when Iâ€™m gone dear, flowers will do me no good.
Wile Iâ€™m sleeping in my grave dear , waiting for that great judgment day.
