Kill the King

Liege Lord

[Blackmore, Dio, Powell (Elite Music)]Danger, danger - Queen's about to kill
There's a stranger, stranger - and life about to spill
Oh no! Move me out of harm
I need a spell and a charm, Fly like the wind
I'm a pawn, so be gone, speed on and onKill the King, tear him down
Kill the King, strike him downTreason, treason - The spectre looms again
treason, reason - The realm is safe and then
Oh no! Move away from harm
I need a spell and a charm, Fly like the rainbow
I'm a pawn, so be gone, speed on and onKill the King, tear him down
Kill the King, go take his crown - downKill the King
He'll rule no more, strike him dead
The people roar
Kill the King, take his head
Down, down, down, down
Oh kill, oh kill, oh kill, oh - oh
