

Pound Sign (#?!)

Kevin Fowler

Dog tired
Yeah, I'm wired
Up-tighter than an a-string
About to breakTail draggin'
A little ragged
Hangin' by a thread
That's startin' to frayJust in case there might be
Little ears around
I won't say it
I'll just spell it outI feel like pound sign, question mark
Star, exclamation point
Don't give a blank
And a whole lot of otherChoice words I can't say
Today I feel like
Pound sign, question mark
Star, exclamation pointHungover
A lot closer
To ringin' death's door
Than I was yesterdayHead achin'
Hand shakin'
Badly in need
Of a shower and shaveYeah, I know I'm lookin'
A little rough
The least I can do
Is clean my language upI feel like pound sign, question mark
Star, exclamation point
Don't give a blank
And a whole lot of otherChoice words I can't say
Today I feel like
Pound sign, question mark
Star, exclamation pointI think I partied
A little too hard last night
Let's see here now
How do I put this right?I feel like pound sign, question mark
Star, exclamation point
Don't give a blank
And a whole lot of otherChoice words I can't say
Today I feel like
Pound sign, question mark

Star, exclamation point Don't give a blank
And a whole lot of other
Choice words I can't say
Today I feel like Pound sign, question mark
Star, exclamation point
Percentage sign, at symbol
Backslash, squiggle thing Pound sign, question mark
Star, exclamation point
