

Slight Return

Moby

Where did you go
when things went wrong for you,
when the knives came out for you?

Where did you go?

All you needed was a friend
You just have to ask and then...you don't have to have the solution,
you've got to understand the problem,
and don't go hoping for a miracle.

All this will fade away
so i'm coming home
i'm coming home. What did you learn,
locked away all on your own,
chance and your head all blown

What did you learn,
It was unfortunate,
you missed you chance to find out that
i'm coming home
but just for a short while.
