Midnite Snack

The Donnas

I'm sitting all alone in my room
With no one to share my oranjeboom
Everyone else in the house is asleep
And i want you right here next to me
Cause baby I'm not tired yet
So I head down to the kitchenette[Chorus]
For a midnite snack
(midnite snack)
For a midnite snack
(midnite snack)
Tell that girl of yours that you'll be right back
Cause I want a little piece of you with my midnite snackYou drove up without your headlights on
I met you halfway across the lawn
And then you made me a rootbeer float
But we finished it before you took off your coat
Baby you've got the right attitude
You know that junk food gets me in the moodI just wanna borrow you
And a box of cereal too
Don't have a heart attack
Cause you can have her back
I just want you for a midnite snackYou drove up without your headlights on
I met you halfway across the lawn
And then you made me a rootbeer float
But we finished it before you took off your coat
Baby you've got the right attitude
You know that junk food gets me in the mood(Chorus)
